Approved For Release 2000/08/26 : CIA-RDP61S00137A000100070022-9  
*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Chief, Industrial Division, ORR

DATE: 30 August 1957

FROM : Chief, Aircraft Branch, D/I

SUBJECT: Briefings for ONE Board

1. This memo is to inform you of two scheduled briefings regarding current and future estimates of Soviet medium and heavy bomber capabilities.

25X1A9a

a. [REDACTED] will present CIA views on the subject to the board at 1000 hours on 5 September. I/AR will supply graphical backup material, a composite production chart on Plant #23 Moscow and a picture of a Bison aircraft leaving the final assembly shop.

b. The USAF will brief the board at 1000 hours on 6 September as to the reasoning used in making their estimates.

c. I/AR is invited to send two representatives to each meeting.
